

2009 Warrior Lures' New Flutter Spoons

Our new Flutter spoons have a unique profile, having three distinct bends. This profile creates movement that fish cannot resist. At 3 3/8 inches the Flutter Spoon is perfect for any sport fishing application, from the smallest Walleye to the largest Salmon. Each Flutter Spoon has a split ring and a size 1 treble hook.

All colors are available on Copper, Silver or Gold plated spoons (only Silver plated finish shown).

If you do not see the pattern you rely on to land fish, just call. With a reasonable description, or sample, we will paint up one of our spoon blanks to match. A minimum order quantity is required for this service.

New for 2009 – Little Warrior Walleye Spoon

Warrior Lures' Little Warrior Spoons

The Little Warrior is a smaller version of our new Flutter Spoons. With this irresistible action the Little Warrior Spoons are a must for the Walleye fisherman. Little Warriors are 2 1/4 inches long and hand painted to our exacting standards because we won't accept anything less! Each Little Warrior Spoon has a split ring and a size 6, bronze Mustad® Triple Grip® treble hook.

All colors are available on Copper, Silver or Gold plated spoons (only Silver plated finish shown).
